AWARD

The brief facts collected from statements of the witnesses produced by the applicant workmen and their documents placed on the file, are summarised as under :—

The applicants as mentioned above from S. No 1 to S. No. 5 were the employees of the Management ITDC and Gulmarg SKI Project and Sound and Light Shalimar, who worked there for 17-30 years continuously. They were appointed in these establishments of ITDC in 1972 and were retrenched in the year 2002 on the plea that due to reasons beyond the control of ITDC Management both the projects in the Valley have become defunct and non-functional and there is no possibility of revival of the said establishments in the near future. The applicant workmen raised an industrial dispute under section 2-A of Industrial Disputes Act, 1947 through their individual applications before Conciliation Officer (Deputy Labour Commissioner), Kashmir Division, Srinagar on 18-06-2003 regarding their illegal

termination by the management, represented by Chairman/ Managing Director and Senior Vice-President, ITDC, and accordingly the management closed down establishments in Shalimar as well as Gulmarg and according to the management there was no work to be provided to the workmen and consequently their services were treated as surplus and were retrenched from service.

That the applicant workmen were not the only employees who were appointed/working in the sound and light show, SEL Shalimar and Gulmarg SKI Project. Actually the total number of employees working there were sixteen (16) in number, who were appointed along with these applicant workmen whose names are as under :—

1. Shri Bhushan Lal
2. Shri Bhansi Lal
3. Shri M. N. Raina
4. Shri Mehar Singh
5. Hassam-ud-Din Shamsi
6. G. A. Rather ; and
7. Gh. Hassan Sheikh

These employees were not terminated/retrenched in the SEL Shalimar and Gulmarg Project, but they were transferred to other units of ITDC, Delhi, before effecting retrenchment of the above-mentioned applicant workmen.

It may not be out of place to mention here that in their appointment orders, some terms and conditions were mentioned including the terms and conditions at S. No. 7 and 8.

S. No. 7 mentions that your services are transferrable anywhere in India and abroad to any other unit of the corporation and S. No. 8 of the terms and conditions mentions that during the winter closure of Sound and Light show, you will be required to serve in any other unit of the corporation every year.

In view of these terms and conditions mentioned at S. No. 7 and 8, all these employees used to be transferred to Delhi to work in other units of the corporation for the whole winter season.

That the said Conciliation Officer tried his best to bring the parties to an amicable settlement but the non-applicant management adopted a rigid attitude by not attending and participating in the conciliation proceedings. Consequently, conciliation failed and the Conciliation Officer submitted failure report to the State Government under section 12 (4) of Industrial Disputes Act and the Government referred the matter in dispute to this forum under SRO-244, dated 26-07-2004, with the following references :—

- a. Whether the closure of Sound and Light Show Shalimar is illegal in the eyes of Law ?
- b. Whether the termination of employees and their re-engagement on the contractual basis in the same concern is illegal ?
- c. If so, whether the retrenched workmen are entitled to reinstatement with full back wages, and consequential benefits ?

ISSUE (a) : Whether the closure of Sound and Light Show Shalimar and Gulmarg SKI Project, is illegal in the eyes of Law ?

A notice was issued on 1-11-2002 by the management to the applicant workmen wherein it has been mentioned that the sound and light show and Gulmarg SKI Project have become totally non-functional and on this very ground the corporation is going to retrench the services of employees. It was not only the SEL Shalimar Unit and Gulmarg SKI Project which were affected by the militancy related events at that time, but every State and Central Government Departments and establishments were adversely affected at that time. It was the policy of State and Central Government to provide relief and packages to the people in general and also to provide employment to the unemployed persons of the State. But at this stage the ITDC resorted to retrenchment of the employees of SEL Shalimar and Gulmarg SKI Project in order to add to the miseries of the employees. It was against the policy of the State Government and violation of the basic fundamental rights of the Constitution of India.

Moreover, in the second para of the said termination notice the reason for retrenchment has been shown as unavoidable circumstance. Keeping in view the legal explanation of the term “unavoidable circumstances” on the basis of which the services of the employees were terminated by the management, were not unavoidable at all because every department was facing the similar circumstances that time from 1989 and none of the department has taken such a harsh action against its employees. The corporation could have passed appropriate orders for the voluntary retirement of the applicant workmen and given them all the retirement benefits or it could have transferred these employees to Delhi for their adjustment in different units like other seven employees who had been already adjusted in its different units at Delhi before the retrenchment of the present applicant workmen. It may not be out of place to mention here that the present applicant workmen were promoted, transferred to other units during their service tenure in accordance with the para 7 and 8 of their appointment orders and also during winter closure of the sound and light show, the present applicant workmen were invariably transferred to Delhi to serve in other units of corporation every year as per the terms and conditions of their appointment orders. Moreover, the applicant workmen

were treated as the full-fledged employees of the corporation by the management till the date of their illegal termination. Discrimination has been meted out between the two groups of the workmen, who belong to the same unit of SEL Shalimar and Gulmarg SKI Project. One group of the applicant workmen has been terminated from the services of the corporation and the other group has been retained by transferring them to other units at Delhi and some of them are still in service. The action of the management is also a violation of the Article 14, 16 and 21 of the Constitution of India on the ground that the termination of the services of the workmen is arbitrary and discriminatory as the corporation is having a status of State within the meaning of Article 12 of the constitution of India. Moreover, the rule of hire and fire could not be resorted to by the non-applicant management of the corporation, which is wholly owned by the Government of India and was as good as the Central Government. Therefore, it was incumbent on it to absorb these permanent employees like the present applicant workmen in other units.

The whole gamut of labour legislation is to check, control and circumscribe uncontrolled managerial exercise of power with a view to eschew the inherent arbitrariness in the exercise of such actions. Therefore, the management cannot be allowed to be whimsical and capricious in the matter of ignoring the interests of labour altogether.

The present workmen were not the employees of SEL Shalimar and Gulmarg SKI Project at the unit level, but were the employees of the corporation at the corporation level which is a going concern and the termination of the applicant workmen is retrenchment. The pre-requisite for a valid retrenchment as laid down in section 25-F has not been complied with by the non-applicant corporation. The applicant workmen have been paid the notice pay and the retrenchment compensation after the lapse of four or more months through cheques, which is a violation of section 25-F, and which makes the retrenchment in the present case illegal.

In this connection I would mention the judgement of the Hon'ble Rajasthan High Court which has held that payment of notice pay and

retrenchment compensation after 6 days of retrenchment is non-compliance of law. The brief facts of the case are that a workman was retrenched from service. Notice pay and retrenchment compensation were paid to him after 6 days of retrenchment by his employer. The workmen accepted the compensation amount but still raised a dispute before the labour court for non-compliance of the provisions of section 25-F of the Industrial Disputes Act of 1947. The labour court held that payment of one month's wages and the retrenchment compensation to the workmen, after six days of retrenchment was a proper compliance with the statutory requirement. The workman challenged the award of the labour court before the honourable Rajasthan High Court. The Hon'ble High Court set aside the award of the labour court and directed the reinstatement of the workmen into service with the following observations :—

- (a) That the workmen had completed the 240 days service in the respondent establishment prior to his retrenchment i. e. February 1, 1994, therefore had completed continuous service of one year in terms of section 25-B of the Act and hence section 25-F of the Act was required to be complied with while terminating his services.
- (b) Section 25-F of the Act clearly contemplates that if employer wants to terminate services of the workmen, he has to comply with one month's notice or salary in lieu thereof and compensation which is to be computed on the basis of 15 days wages of each completed year of service which is required to be paid simultaneously. The same was considered by this court in RSRTC V/s. Judge Labour Court, Jaipur, 1994, RLR 981.
- (c) The submission made on behalf of the employer that the workmen had accepted the amount of retrenchment compensation, has no substance. Mere acceptance will not obliterate the statutory obligation cast upon the employer to comply with their mandatory requirement provided under the

Act. The finding of the labour court is totally perverse and contrary to the settled principles of law.

(Hon'ble Rajasthan HC : Sita Ram Pareek vis Judge Labour Court and another 2007 I LLJ 264)

In the light of the above quoted judgement of Hon'ble Rajasthan High Court, the present applicant workmen also approached this court with the same compliant that they have been paid the notice pay and retrenchment compensation after affecting their retrenchment after the lapse of more than four months through cheques, which is a violation of section 25-F which makes the retrenchment in present case illegal.

ISSUE (b) : Whether the termination of employees and their re-engagement on the contractual basis in the same concern is illegal ?

The present workmen after their termination from service were re-engaged on contract basis after the gap of about 3 months on the minimum salary of Rs. 4500/- per month and Rs. 3000/- per month for a period of six months, which was likely to be extended by the management. All these present applicant workmen accepted this contractual employment and joined on their respective places of posting in the SEL Shalimar and Gulmarg SKI Project.

It means that places of posting were thrown open for all the employees and the order of closure of both the establishments withdrawn, which means that the management wanted to run both the establishments with the help of now contractual employees on a meagre wages instead of their salaries last drawn by them. On the one hand, the ITDC Management has declared closure/retrenchment but on the

other hand it is running both the SEL Shalimar and Gulmarg SKI Project through these retrenched employees, who have been re-employed on contractual basis. The closure is, therefore false, ruse and pretence.

Moreover, the policy of management appointing their regular employees on a meagre wages of Rs. 4500/- and Rs. 3000/- per month on contract basis is wrong and illegal.

ISSUE (c) : If so, whether the retrenched workmen are entitled for reinstatement with full back wages and consequential benefits ?

That the Establishment viz. ITDC having its units all over India is a single industrial establishment having Recruitment, Promotion, Seniority, Rules, Conduct, Discipline and Appeal Rules, 1978 and standing orders which apply to all its employees of the corporation working in its head office, various divisions, units, regional offices, branches including units managed by the Corporation, as also employees whose services are deputed/ lent to other agencies. Moreover, the applicant workmen were governed in all respects by the service rules of the corporation as also by the standing instructions and the administrative orders issued by the management from time to time. Moreover, among other terms and conditions mentioned in the appointment orders, the services of the applicant workmen were transferable anywhere in India and to any other unit of the corporation, including the units of SEL Shalimar and Gulmarg SKI Project.

Shri Abdul Rashid Dar, one of the applicant workman, was promoted as Junior Assistant in the pay scale of Rs. 1200/- 2040/- w. e. f. 26-9-1990 on the recommendations of the departmental promotion committee, which is on the corporation level, and with the approval of the competent

authority, issued under signatures of P. C. Arora, General Manager, (P-R) of India Tourism Development Corporation Limited. The said order mentions that **Shri Abdul Rashid Dar promoted as junior assistant, will be governed by the rules, regulations of service conduct, discipline and appeal rules and standing orders of the corporation that are in force, and which may be amended, altered or extended from time to time.** It is also mentioned in the said order that order relating to fixation of pay and place of posting will be issued separately.

From the perusal of this order also, it is established that the unit of SEL Shalimar and Gulmarg SKI Project are part and parcel of the ITDC at the corporation level.

In the light of above facts, I hold that the retrenched workmen are entitled to reinstatement with full back wages on revision bases with other consequential benefits along with 09% interest. An award in favour of the applicants is accordingly passed against the non-applicant management.

The reference made to this court by the State Government is answered accordingly and award is made in favour of the applicants and against the non-applicant management. A copy of the award be sent to the appropriate Government through its Commissioner/Secretary, Labour Department for information and its publication in the Government Gazette.

The file after due completion, be consigned to records.
